The crossword puzzle grid consists of 11 horizontal rows and 10 vertical columns. A thick black vertical line runs through the 5th column. The grid is partially filled with illustrations of fruits and vegetables, each with an arrow pointing to a specific cell in the grid. The illustrations include: a pear, a strawberry, an apple, a radish, blueberries, a carrot, a lemon, a kiwi, an onion, a tomato, a cauliflower, a pumpkin, a shallot, and an almond.

Chaque ligne correspond à un fruit ou un légume. Elles te permettront de trouver le mot mystère.
